

# FBCJC Kids Covid Guidelines

## **Before you attend**

- Please do your best to RSVP your kid(s) before our Sunday gatherings.
- Each child will be required to wear a mask due to state mandate.
- Each family will self-check before entering the building to assess the health of the family before attending.
  - if anyone in your family is experiencing COVID related symptoms, please be safe and stay home

## **Drop -off**

- Go to the Kids Ministry Check-In
  - Parents' cell number(s) will be verified in case parents are needed during service.
- Be prepared for a temperature check
- Parents will not enter the classroom.
  - if for some reason, a parent must go into the room, only 1 parent will be allowed in at a time.

## **Social Distancing**

- Children may be assigned to groups in order to maintain safety and distancing.
- Each group size will be determined what is safe to social distance the kids and leaders. -Kids activities will be strategically picked to socially distance kids.
- When necessary each child will wash their hand between activity/craft/etc.

## **Pick up**

- The same parent that dropped off the child will be asked to pick up the same child.
- When picking up your children, come to the Kids Ministry Check-In table and someone will help you.

## **Leaders Guidelines**

- Leaders will take their temperature before serving on Sunday.
- Leaders will be required to wear masks.
- Leaders will wash/sanitize their hands as frequently as the children do.

### **- Responsibilities include:**

- Keeping kids engaged with activities
- Engaging kids in small group activities and games
- Directing kids to designated bathrooms when needed
- Clearing tables of all art supplies and table games
- Helping with sanitation of areas in preparation for next use

### **- Health Reporting and Personal Responsibility**

- We are asking each volunteer to be cautious and considerate when volunteering during this season of ministry.
- If a volunteer has been in a large crowd or in the company of someone who may have covid, we ask you to err on the side of caution.

## **End of Service**

- All frequently touched surfaces will be cleaned and sanitized.
- Each toy and surface that was used during service will be sanitized.
